Re: **United States v. Sulaiman Abu Ghayth**  
**Docket No. S13 98 Cr. 1023 (LAK)**

Dear Judge Kaplan:

I write to supplement my letter of yesterday concerning additional phone calls. I received a phone call from an attorney, Stanley Cohen, in which he told me that Abu Ghayth's family may retain him. We informed Abu Ghayth of this development. It is important that he be granted additional phone calls to permit him to discuss this issue with his family and to reduce any additional delay in this case.

Respectfully submitted,
